

Growing Together in Faith, Love and Learning

What are we doing to improve school this year? 2025-2026

Ensure the school reflects the expectations of the revised Ofsted framework.

Develop the provision in the curriculum by deepening the use of QFT and adaptive teaching strategies in foundation subjects.

Review and refine the school's Relationships and Regulation Policy to reflect principles of trauma-informed and attachment-aware practice.

To further improve attendance and punctuality with a focus on children with EHCPs and Pupil Premium families.

Refine the curriculum across all subjects to prioritise and secure the most essential knowledge, skills and vocabulary.

DT: To develop further the Design Technology curriculum.

Strengthen the effectiveness of governance through rigorous self-evaluation.

To ensure high quality teaching and learning across the EYFS, inc. through the Learning Environments and high-quality interactions.

Pupils' outcomes at all key points are at national and LA average in phonics, grammar and maths.

To strengthen and further develop Continuing Professional Development with all staff.

Action the areas for improvement from Section 175/157 Safeguarding audit.

Embed a highly inclusive and individualised approach within our Resourced Provision.
